

**INVESTOR RELATIONS AND FINANCIAL COMMUNICATION
PROGRAM**

The long-term goal of the Investor Relations Program is to promote the fair and full valuation of SSP's shares in the Philippine stock market that is commensurate to the Company's profitability and medium to long-term prospects.

Specifically, this Program aims to:

- Expand the public profile and visibility of SSP and generate more public communications about its business and financial performance and its expansion projects
- Create better understanding and appreciation for SSP's business fundamentals and prospects
- Win the confidence and goodwill of shareholders and the investing and financial publics

Program Activities and Communication Tools

The Company shall utilize the following tools in communicating to its shareholders, investors and the public:

- a. The Annual Report
- b. Annual Stockholders Meeting
- c. PSE EDGE Portal
- d. SSP Homepage/Website

Shareholders and investors who may wish to inquire about the Company, its financial results and other specific concerns can communicate with the SSP Investor Relations Office at (email address: ssp.ir@sfasemicon.com and telephone number +63-45-499-1755).
